

Concord Feb 23^d /46.

My dear Mrs Chapman

Your sister said your
Society would send us a copy of Mr. Liberton
if we could make it of use. Please send a copy
to Louisa ~~Paris~~ ^{Paris}, and she will send it to a person
who is sick, and in a very proper state for being con-
-verted - we have got between thirty ^{four} names to our
petition. I have been labouring with Mrs. Emmons, I ought
to get him, I P. Howe, it is not decided yet, in their
minds, I have some hopes -

Yours
